Professional Summary

I am a Web Designer with 4 years of experience. I have a Bachelor’s Degree in Computer Applications (BCA) from Shri Chimanbhai Patel Institute Of Computer Applications. I am a creative professional who is passionate about designing interfaces and user experiences for digital products. I specialize in creating visually appealing, user-friendly, and intuitive designs that meet project goals and requirements. My expertise lies in using a range of design tools such as Figma, Adobe XD and Sketch.

Skills

Technical Skills	HTML, CSS, JavaScript, Adobe Creative Suite (Photoshop, Illustrator, XD), Sketch, Figma, WordPress
Design Skills	Responsive Web Design, UI/UX Design, Wireframing, Prototyping, Graphic Design, Logo Design
Soft Skills	Creative Thinking, Attention to Detail, Communication, Team Collaboration, Time Management

Professional Experience

Sr.Web Designer

2019-2023

Adorncommerce LLP , India

- Designed and developed responsive websites for various clients, improving site engagement and user satisfaction.
- Collaborated with clients to understand their brand and vision, translating requirements into functional and visually appealing web designs.
- Utilized HTML, CSS, and JavaScript to create interactive and dynamic website features.
- Implemented best practices for SEO and web accessibility, resulting in increased site traffic and better search engine rankings.
- Conducted usability testing and gathered user feedback to refine and improve website designs.
- Worked closely with the development team to ensure seamless integration of design and functionality

Key Achievements

- Created designs using Figma, ensuring modern and intuitive user interfaces.
- Integrated Gutenberg blog for content management, enhancing the client's blogging capabilities.
- Made websites responsive for mobile and tablet devices, ensuring a seamless user experience across all platforms.
- Designed banners for websites, boosting visual appeal and user engagement.
- Created custom CMS pages, managing over 300 pages effectively.
- Designed logos for websites, contributing to brand identity and recognition.
